FROM THE PRINCIPALS DESK

It is with great pleasure that I extend a heartfelt welcome to all to Government Degree College Qazigund, nestled in the picturesque town often referred to as the gateway to Kashmir. Renowned for its commitment to academic excellence and community development, Government Degree College (GDC) Qazigund serves as a symbol of educational empowerment. Since its establishment, the college has remained steadfast in its endeavor to offer top-tier education, equipping students with the tools they need to excel in both their academic pursuits and professional endeavors. The college provides students not only with technical expertise and interpersonal abilities but also prepares them to confront real-world challenges by fostering proficiency in essential life skills. Dedication to upholding an impeccable reputation and stringent standards of distinction is paramount for the college, as it strives to elevate its achievements to unprecedented levels. I firmly believe that true education encompasses the development of both intellect and character; thus, I am grateful to lead a team of seasoned, highly qualified, and devoted faculty members. We are diligently ensuring the provision of essential amenities for students, including washrooms, a canteen, gymnasium, browsing centre, reading room, library, Wi-Fi connectivity across the campus, and continuous upgrades and maintenance of infrastructure. Moreover, the college is at the forefront of organizing conferences, seminars, workshops, and skill development programs. I warmly invite you to partake in and bolster this initiative.

GDC Qazigund

About College

Govt. Degree College Qazigund was established in 2019 with erstwhile Gateway to Kashmir, a JK Tourism Facility, as its campus. The first batch of 50 students was admitted in March 2020. The enrollment was low because of the onset of Covid-19 Pandemic. The magnificent campus of this college is situated at NH-44 Levdora, Qazigund and is spread over the area of 35 Kanals. In addition to existing infrastructure, a multistorey college building is under construction. At present, the College offers different courses in the discipline of Arts. From the academic session 2020-21 onwards and till date, teaching of different subjects like English, Education, Sociology, Urdu, Political Science, Physical Education and Environmental Science is being imparted to the students

Department of Computer Science

The Department of Computer Science provides several courses in line with the National Education Policy (NEP) 2020:

1. Value Added Course - Digital and Tech Solutions: This course focuses on skills related to digital technologies, problem-solving, and digital financial tools and e-governance.
2. Multidisciplinary Course: Designed to bridge computer science with other domains, this course encourages Multidisciplinary learning and application.
3. Skill Enhancement Courses: These courses enhance students' abilities in specific areas, such as programming and Web development .

Additionally, the department offers short-term certificate courses for specialized training. And from session 2025 , Computer Applications shall be offered as major/ minor course.

Prof Afaq ahmad Zargar
Head of the Department

PROSPECTUS 2024

- Well-stocked library
- Technology-enabled learning spaces
- Multipurpose hall for events and activities

Prof. Showkat Ahmad Malik
Head of the Department

PROSPECTUS 2024

Department of Environmental Science

The establishment of the Department of Environmental Science in 2022 marked a significant milestone in the academic landscape, particularly in response to the growing concerns surrounding environmental sustainability and the need for interdisciplinary approaches to address them. By introducing Environmental Science (EVS) as a multidisciplinary (MD) subject open to all undergraduate students, the department aimed to provide a comprehensive understanding of the intricate interactions between the environment and various human activities. Our department is dedicated to fostering a deep understanding of the environment and promoting sustainable practices through education and community engagement. At the Department of Environmental Science, we are committed to promoting environmental awareness and action. We aim to inspire our students to make meaningful contributions to society by addressing environmental challenges with creativity, knowledge, and a sense of responsibility.

Prof. Rameez Ahmad Shah
Head of the Department

Department of English

The Department of English at GDC Qazigund is dedicated in cultivating linguistic proficiency, literary appreciation and intercultural competency. Our departmental ethos is anchored in the pursuit of academic excellence and the nurturing of scholarly inquiry across the realms of language, literature and cultural studies. The Department is committed to providing a rigorous academic environment that fosters critical engagement with literatures and cultural discourses. Our mission is to empower students with the analytical acumen, communicative prowess, and cultural fluency requisite for navigating the complexities of a globalized world.

Prof. Nehad Kaniz Fatima
Head of the Department

PROSPECTUS 2024

Facilities Available in the Institution

Library

Our browsing centre is a hub of learning and exploration. Equipped with state-of-the-art computers, it's a valuable resource for students. Students can access online resources, academic databases, and educational websites. The center's facilities enable students to complete assignments, projects which help them to gain valuable skills and knowledge. In our browsing center, we boast 25 operational desktop computers featuring Core i3 and i5 generations, all fully connected to the internet. Additionally, complimentary Wi-Fi is provided throughout the campus for convenient online access.

The Gymnastics

The gymnasium in our college is fully equipped with essential fitness equipment, including treadmills, leg curl machines, chest fly machines, shoulder press machines and dumbbells.

Browsing Centre

The Library is committed to promptly providing vital information to all its users. Our collection consists of 5500 books, including textbooks, reference materials, journals, and electronic resources. The Library serves users in various subjects such as English, Environmental Science, Urdu, Sociology, Education, Islamic Studies, Political Science, Business Studies, Economics, Commerce, Mathematics, History, and other books required for national and state-level examinations.

PROSPECTUS 2024

College Canteen

We are delighted to inform you that a new canteen has been introduced on campus, offering a selection of tea, coffee, snacks, and cold drinks at reasonable rates. This addition aims to provide convenient refreshment options for our students while ensuring affordability for all.

Reading Room

We take pride in our well-established reading room, offering students an excellent environment for focused study. Our extensive collection includes numerous national and local journals, fostering a rich academic ecosystem. Additionally, we provide a wide selection of local and national dailies to keep our students informed and engaged.

Co-Curricular Activities

The college is committed to showcasing student talents by encouraging active participation in diverse educational activities. We organize seminars, symposiums, conferences, and workshops in collaboration with various developmental organizations, receiving numerous accolades and recognitions. Additionally, our institution boasts a spacious and well-maintained auditorium, promoting student involvement in a variety of events and ceremonies.

PROSPECTUS 2024

N.S.S

In 2024, our college received a significant boon in the form of a granted National Service Scheme (NSS) unit, marking a pivotal step towards fostering community engagement and social responsibility among the students. With an enrolment capacity of one hundred members, this NSS unit stands as a beacon of opportunity for students to actively participate in meaningful service-oriented activities. Its establishment in the same year underscores our institution's commitment to staying abreast of contemporary educational paradigms, integrating service learning into the fabric of our academic community. Through this initiative, we aim to cultivate well-rounded individuals who not only excel academically but also demonstrate a deep-seated commitment to societal welfare.

Prof. Showkat Ahmad Malik
NSS Officer

Financial Assistance

The college extends financial aid to marginalized groups like orphans, individuals with disabilities, and students from Scheduled Castes (SC), Scheduled Tribes (ST), and Economically Weaker Section (EWS) students. This aims to address barriers they face in accessing education, promoting inclusivity and social equity. Such initiatives empower students and create a more inclusive educational environment, aligning with the college's commitment to equal access and holistic student development.

Prof. Rameez Ahmad Shah
Convenor Financial Aid
