Inspection Team, University of Kashmir visits college for granting the renewal of temporary affiliation

Qazigund 01-02-2024: Inspection Team, University of Kashmir today on 01-02-2024 visits college for granting the renewal of temporary affiliation. The inspection team comprises Dean, College Development Council, Prof Kursheed A. Bhat , Dean Social Sciences Prof M. Y. Ganai and Dean School of Business Studies Dr. Nazir Ahmed Nazir. The purpose of team's visit is to conduct inspection of the college for grant of renewal of temporary affiliation. To apprise here, the college was established in the year 2019 and its first academic session started in 2020. The temporary affiliation granted by the affiliated University requires to be renewed every year till the university grants a permanent affiliation to the college.

After a formal introduction with the college staff by the inspection team, a power point presentation was given by Prof. G. R. Verma Principal of the college wherein detailed report on college's profile, staff strength both teaching and non teaching, courses offered, intake capacity, admission policy, students enrolment, result, college infrastructure, ongoing and upcoming infrastructure projects, students support services details like library, financial aids & scholarship and sports was presented. Besides, the team was also appraised about the students' welfare services and their active participation in extracurricular activities. The inspection team then raised queries about the about the staff strength, student facilities like bus service and expansion of college land as per UGC norms which were answered satisfactorily and suggestions recommended were noted down for its implementation.

The inspection team then visited the college infrastructure such as administrative block, library block, Canteen, Classrooms, Gymnasium and multipurpose hall. The team was also shown under construction two prefab huts and main college building and it was ensured that the ongoing projects will be completed soon in near future.

At the last the inspection team in their remarks expressed their satisfaction and rest assured that the University of Kashmir shall provide all the possible help and coordination for the academic growth and development of the college so that learning resources and developed infrastructure help students while pursuing of their academics.

Prof Showkat Ahmad Malik Convener Academics and Sh. Samin Majid Wani, Account of the college coordinated the visit of the University Inspection Team.
