Subject: Cyber security compliance checklist for all Teaching Staff and Students

With the ubiquitous applications of information and Communication Technologies (ICT) in almost all facets of service delivery and operations, continuously evolving cyber threats have become a concerned for the Government.

Keeping the above facts into consideration, it is requested to all Faculty members and students to adhere the following security tips:

- Always update your web browser with the latest patches.
- Disable popup windows in your browser.
- Delete browser cookies and cache regularly.
- Enable private browsing or incognito mode.
- Be careful with the websites/inks you visit.
- Use privacy or security settings that are inbuilt into the browser.
- Disable the login and password remember option.
- 6. Enable warn the user option when websites try to install extensions or themes.
- Enable 'Safe search, 'ON in search Engines.
- Install software like pop-up ad blocker to block the malicious advertisements
